It is summer. It is very hot and sunny. The sky is blue. We travel to the sea or the mountain. The children don't go to school. They are at home. They wear shorts, T-shirt, trainers, cap and socks. They play football, walk, jump, skip, run in the park. They can swim. The children meet with their friends. They go to the camp.

Family is together and happy. They visit grandparents. We love summer.
