Úvod

Cieľom vytvorenia tohto učebného zdroja je poskytnúť súbor pracovných listov, ktoré sú zamerané na precvičovanie a upevnenie gramatických zručností v anglickom jazyku.

Vyučovanie cudzieho jazyka je pevnou súčasťou školských osnov. Všeobecným cieľom je zabezpečiť dosiahnutie komunikačnej úrovne B1/B2 podľa Spoločného európskeho referenčného rámca (SEERR) pre jazyky v prvom cudzom jazyku. Na základných školách s vyučovacím jazykom maďarským sa žiaci cudzí jazyk učia popri svojom materinskom (maďarskom) jazyku a štátnom (slovenskom) jazyku. Je to náročné pre deti, preto je potrebné venovať sa na krúžkovej činnosti MRK aj upevneniu gramatických znalostí, i keď primárnym cieľom ostáva rozvíjanie všeobecných komunikačných zručností a rozvoj slovnej zásoby.

Pokyny pre vypracovanie úloh uvádzam v anglickom aj v maďarskom jazyku, čo uľahčí žiakom pochopenie zadania. Pracovné listy poslúžia nielen na overenie gramatických poznatkov z anglického jazyka, ale aj pri rozvoji čítania a písania s porozumením. Zároveň, každý pracovný list obsahuje otázku ako východiskový bod pre používanie daného gramatického javu pri eventúálnych komunikačných cvičeniach. Pri jednotlivých okruhoch uvádzam ročník, pre ktorý je súbor cvičení odporúčaný.

1. Fill in the correct form of the verb „to be“.

Pótold be a „lenni“ ige megfelelő alakját.

I live in a small house. There only one room. There three beds. One bed in the drawer. There a wardrobe, too. My grandparents' house opposite our house. Tony and Ben in the kitchen. They having breakfast. I in the bathroom. My mum in the garden. Our dogs in the garden, too.
