## LITTLE RED RIDING HOOD

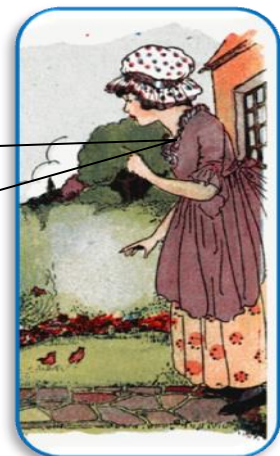

Once upon a time, there was a little girl and little girl had a grandmother. The little girl lived in a village and her grandmother in the forest not far away. One day, the girl's mother said.

OK, Mum.

Little Red Hood, grandma is ill, so I want you to take her some lunch.

Don't stop anywhere  
on the way!

No, no, I won't.  
I shall go straight  
to Grandma's.

So Little Red Riding Hood walked along and met a wolf.

Good  
morning,

Good morning, Red  
Riding Hood! Where  
are you going?

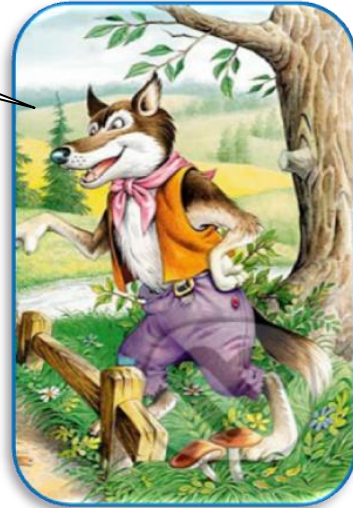

Our grandma is ill, so  
I am taking her some  
lunch.

Where does she live?

Here in the forest, in a little wooden cottage.

I am very happy. I go and see her too. Aha! First. I will eat the grandmother, then Little Red Riding Hood!

Bye-bye. See you soon.

He licked his lips at this enticing thought, but aloud he said.

Look how many flowers there are here! Pick some to take to your grandmother.

My Mum told me, don't stop anywhere on the way. But what if she picked some flowers? How pleased my grandmum!

Little Red Riding Hood put her basket down in the grass and began picking. The wolf slunk quietly away. The wolf found the cottage and knock at the door.

I am happy. It is beautiful house.

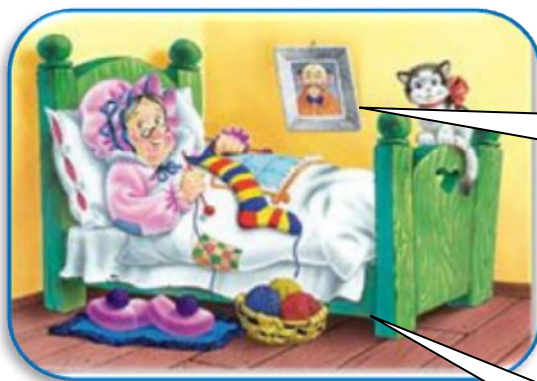

The wolf turned the handle and went into the room. Little Red Riding Hood came to the little house, knocked on the door and called out.

Who is there?

It is me, Little Red Riding Hood. I am bringing you your lunch.

Just turn the handle, my dear.  
The door is not locked.

I am too weak and ill.  
I cannot get up.

The wolf turned the handle and went into the room. Little Red Riding Hood came to the little house, knocked on the door and called out.

Just turn the handle, my dear.  
The door is not locked.

Good morning dear grandmum.  
I love you. You are looking very  
strange. Why?

Why are you ill? I feel today  
happy, I brought you flowers.  
Look. They are nice.

All the better to  
see you with!

Ah,Grandma, what  
big eyes you have!

And why have you got such a big mouth?

Ah, Grandma, what big ears you have!

All the better to eat you with!

All the better to hear you with!

All the better to hug you with!

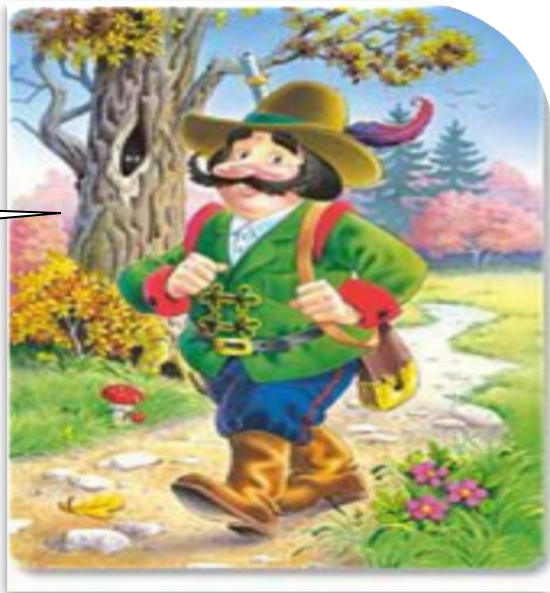

And why have you got such a big mouth?

The wolf lay down again in the bed. He was happily. Very soon he was snoring.

Very soon he was snoring. Zzz...Zzz... The huntsman was just passing the house.

How the old woman  
is snoring!

He saw the door was wide open. He went inside, looked at the bed – and what a shock he got. He took a pair of scissors, and began to cut open the stomach of the sleeping wolf. But Red Riding Hood went happily home.
