Comix

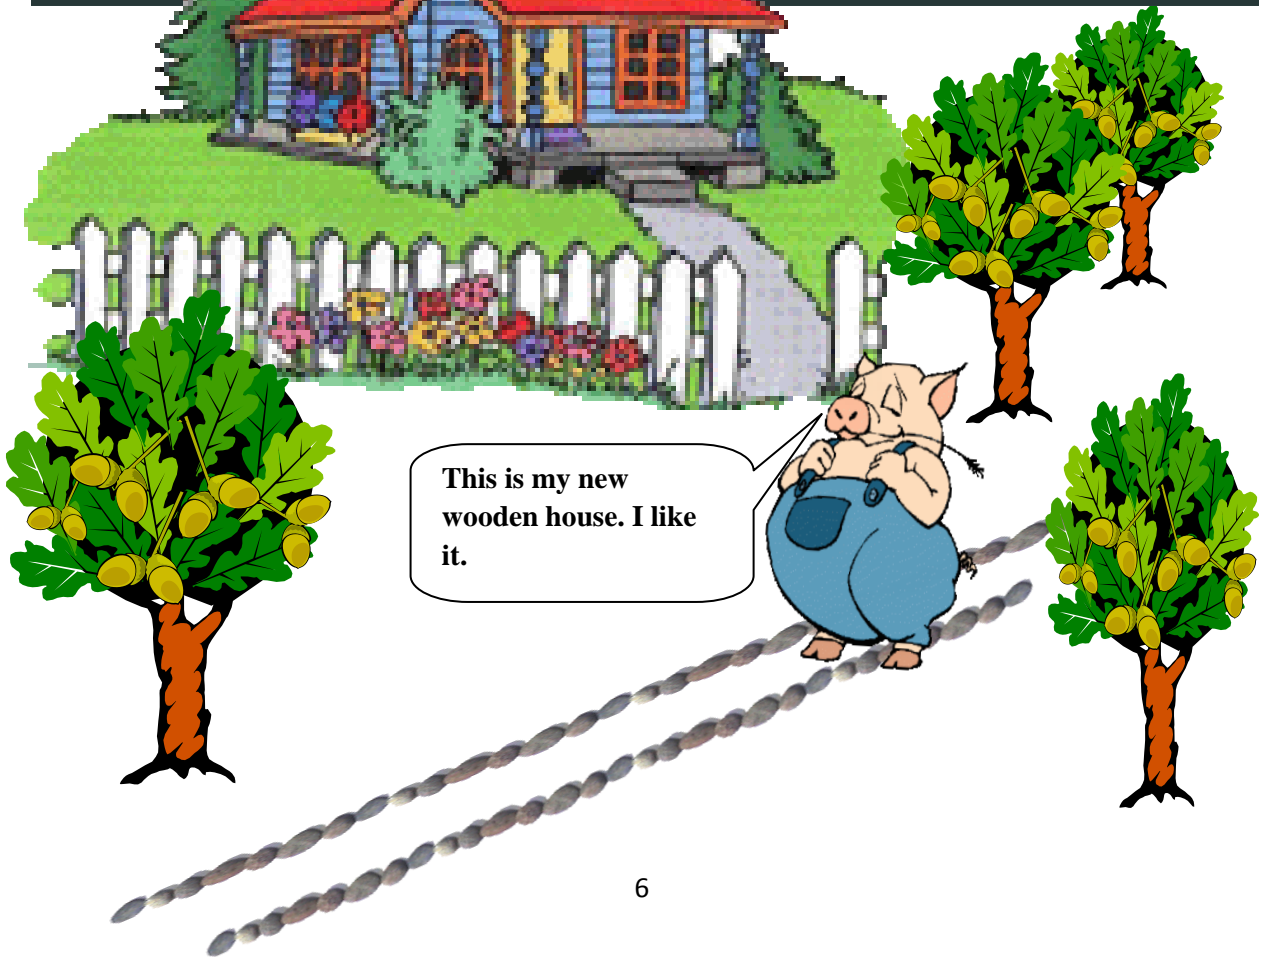

Three little pigs

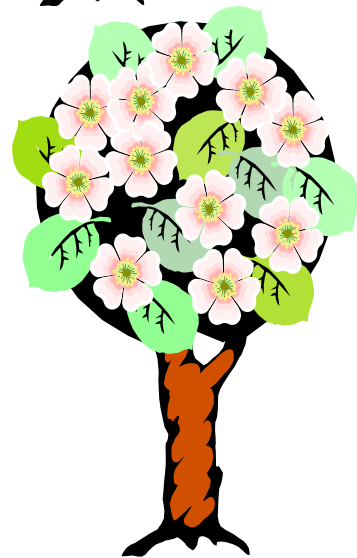

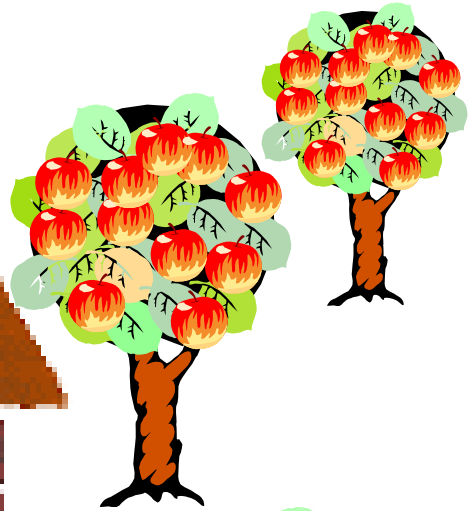

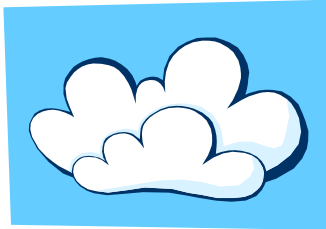

The first little pig began building his house made out of straw.

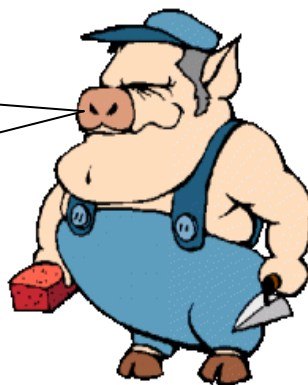

The second little pig began bulding his house made out of wood.

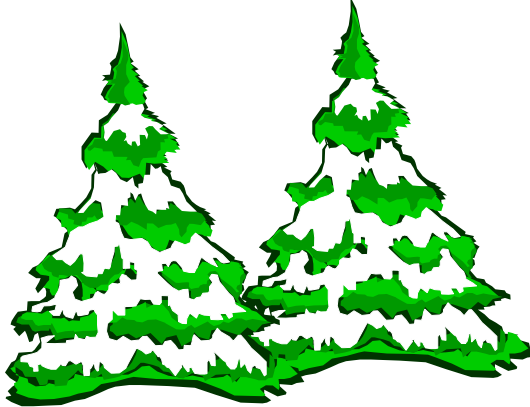

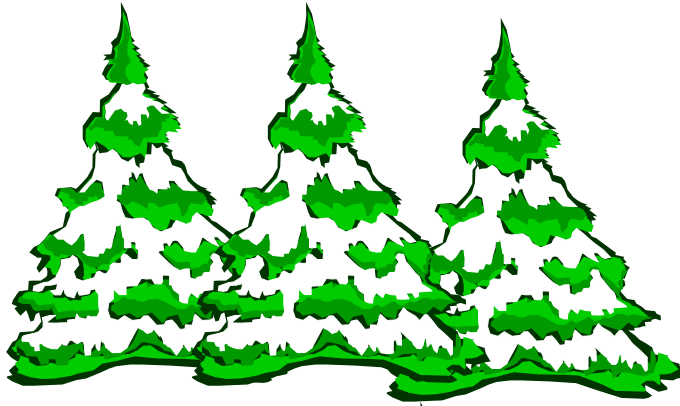

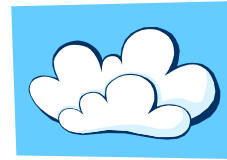

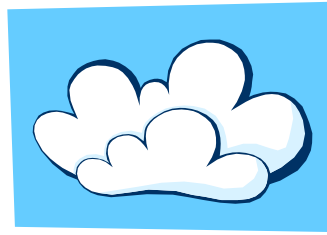

The third little pig began building his house made out of brick. The other two pigs laughed at him for spending so much time on it.

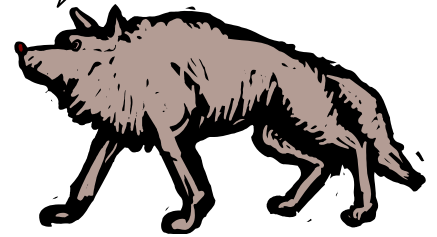

I am
building my
a new house.
It is great.

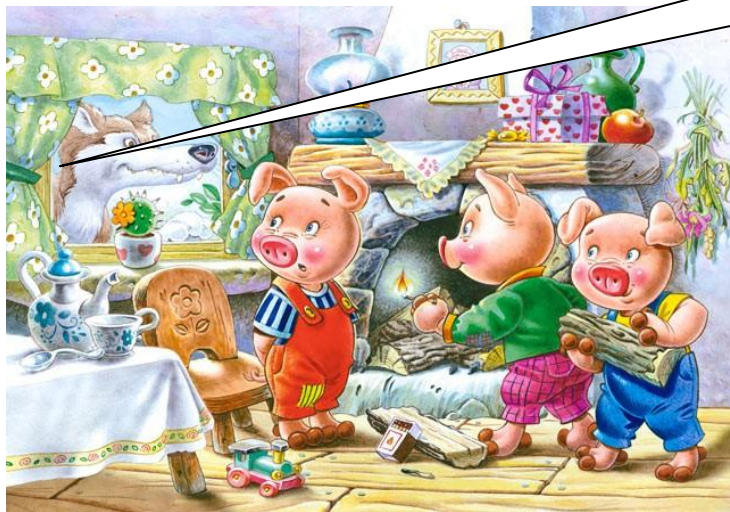

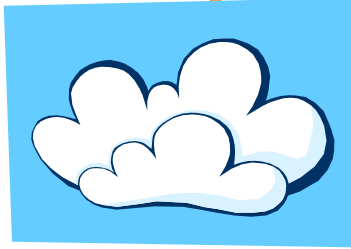

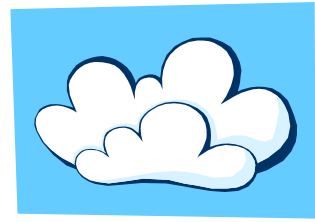

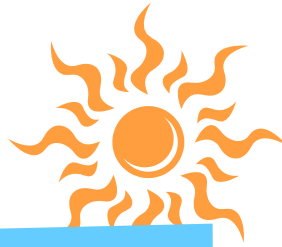

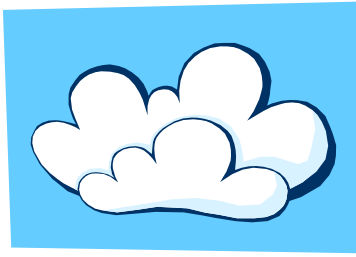

I am hungry. I am thirsty.

Wolf knocked at the door.

I am a big bad wolf. Open up this door.

Help, help, help.....

Ha. Ha.
Ha...

So the first and second little pigs were warm and safe at last. In order to stay in his home for the winter, they had to do all the cooking and cleaning.

Tri domčeky
